

Louver-Tech 1" Aluminum Mini Blinds

- HEAD RAIL** 1" x 3/4" x .025 thick. Conforms with one inch slat. Rolled formed steel, bonderized, electrogalvanized and painted.
- BOTTOM RAIL** 1" wide x .025 thick. Same as Head Rail.
- TILTER** Celcon glass filled nylon, self lubricating. Tilt ratio 3 to 1, rustproof.
- CORD LOCK** Same as Tilter.
- SLATS** 1" wide x .008 aluminum, rustproof.
- SUPPORT TAPE** Terylene polyester fiber with interbraided ladder rungs.
- HEAD RAIL CORD** Pulleys Celcon housing, steel plated roller rotating on steel plated shaft; thus eliminating fraying and damage to lift cords.
